HEREFORD BASE VISITS IN FEBRUARY

Bertram Merling, Loss Control Coordinator for the Hereford Insurance Company (HIC) in Long Island City presented its first round of Safety Awards to bases this February. HIC presents these awards annually to representatives from bases that have shown exemplary safety records in the previous year.

EXECUTIVE TRANSPORTATION GROUP

From left to right: Executive Transportation Group (ETG) Manager, Robert Kaufman (34 years with ETG); Vice President, Scott Harwood (26 years with ETG); and Manager, Anthony Rando (16 years with ETG). HIC Loss Control Coordinator, Bertram Merling presented these three men with 2011 HIC Special Safety Awards, and noted that, "All three recipients are dedicated to driver safety, and they have all contributed a great deal to the Black Car industry for many years – assisting drivers with insurance, as well as TLC and base issues. They help keep the streets of New York City safer for drivers, motorists and pedestrians. HIC congratulates them for another successful year as all three are former HIC Award winners." Additional award winners at ETG, who were not present, were the following: Mahmoud Safa, Love Corporate Car; Marat Kats, Avalon; Salman Khan, New York One; Fan Bing Jiang, Allen Management; Samir El-Meslawi, Blue Line; and Elman Nasirov, Bell Radio.
